## Meal Delivery Service

### Who can receive these meals?

The Meal Delivery Service provides low cost nutritious meals for frail aged people and younger people with a disability and their carers who are temporarily or permanently unable to prepare meals or cook for themselves. Clients should be registered with My Aged Care, or have access to an NDIS package. We can assist you with this process. This service is offered to people who live in the St George Area.

### Delivery

Meals are delivered fortnightly by our team of volunteers and will arrive between 9am to 12noon. You may also choose to collect your meals from our office in Carss Park.

### Payment

For your convenience, we offer a direct debit facility so there is no need to keep the right amount of cash or to write a cheque. As a safety precaution we also prefer that our volunteers do not handle large amounts of cash.

### What are the meals like?

All meals are nutritionally balanced with low salt and sugar options available and with up to 40 main meals available, there are plenty of options to choose from. Meals are frozen for your convenience and can be microwaved in minutes straight from the freezer. We also have a range of delicious soups and desserts.
