

Hello Team 3BC,

We hope everyone is well and enjoying their day.

We would like to remind everyone to ensure they are managing their safety accordingly during Covid-19 working times.

It is very important that we are vigilant and proactive with our health, by consistently:

- Wearing correct PPE, and ensuring sanitising of hands is taking place regularly
- Advising appropriate supervisors when you are getting short on PPE supplies
- Rereading Covid Safety Plans on the Intranet when required
- Contacting your Supervisor/Manager for any questions

Please also always remember to:

- ➡ **Check in and out wherever you can via QR Codes**
- ➡ **Get tested immediately if you have any COVID-19 symptoms, no matter how mild, self-isolate until you get a negative test result and advise your Manager**
- ➡ **Follow all NSW Public Health Orders**

If you have any questions or need any support from the People & Culture Team, please contact us via email: humanresources@3bridges.org.au or by phoning 1300 327 434 and asking to be put through to People & Culture.

Thank you and please stay safe.

Kind regards,
People & Culture Team
