

SG00006958 Statement of Attainment in Individual Support Home and Community *Fee Free (NSW)

This skill set will give you the skills and knowledge required to provide home and community care support for basic client care for a range of roles and purposes required within the aged care and disability support sectors.

Target Group

Thinking of a career change or wanting to develop your skills in the Ageing, Disability (NDIS), Health and Community, or Mental Health sectors? The COVID-19 pandemic has placed unprecedented strain on these sectors. Industry skills councils and employment statistics show that there is a rapid demand for these roles.

This skill set is for individuals who use introductory care practices within an aged care or disability support environment. Candidates who complete this skill set would be equipped with the skills and knowledge required to undertake job tasks such as.

- ✓ Identify and respond to legal requirements
- ✓ Identify and meet ethical responsibilities
- ✓ Contribute to workplace improvements
- ✓ Communicate effectively with people
- ✓ Collaborate with colleagues
- ✓ Address constraints to communication
- ✓ Report problems to supervisor
- ✓ Complete workplace correspondence and documentation
- ✓ Contribute to continuous improvement

***Fully Funded (NSW)**

3Bridges Community Limited a Register Training Organisation (RTO No. 41056) and is an approved Smart and Skilled provider. This course is subsidised by Smart & Skilled and therefore you must meet the eligibility criteria.

The program offers fee free and low fee training options to boost skills with full and part qualification course options, as well as personalised support to assist people navigating the skills and training opportunities available in NSW.

Are you eligible?

Training is available for new staff who meet the eligibility criteria and existing staff who are at risk of unemployment and require retraining to secure ongoing employment.

People undertaking training must meet the [Smart and Skilled](#) eligibility criteria and fit into at least **one** of the categories below:

- a young person aged 16-24 at the commencement of training, regardless of employment status, including Year 12 school leavers
- Commonwealth Government welfare benefit recipients
- an unemployed person
- an employed person who is expected to become unemployed (e.g., companies in declining industries, people whose employment is conditional on immediately undertaking work relevant training, workers who have been stood down or furloughed).

Eligible participants will also need to be:

- living in NSW or working in NSW
- be an Australian or New Zealand citizen, permanent resident, or humanitarian visa holder
- no longer at school
- previous qualifications do not affect your eligibility.

If you have a Certificate IV or higher qualification you are still able to access subsidised Smart and Skilled training up to Certificate III level, providing you meet the personal eligibility criteria for Smart and Skilled. As you already have a post-school qualification, you may pay a higher fee for your Smart and Skilled training than someone who does not have any qualifications.
